- **When? THIS coming Tuesday 8/29 @ 2:00pm**

Hi All,

Quick updates from our last phone call:

- Movies are confirmed but confirming the details.
 - Kids:
 - Kiki's Delivery Service (@ jvp 10/14)
 - Totoro & Friends (@ JACCC Plaza 10/28)
 - Adults
 - Hausu (@ EWP 10/13)
 - Ju-On (@ EWP 10/21)
 - Ringu (@ JACCC Plaza 10/28)
 - Quick question / concern: Will it be okay if we screen these when it's still light out?
 - Also: Do we want to screen Ringu on that Sat when we have all the other stuff going on? Or should we keep it the Friday before
- Pumpkin Patch & Related Activities
 - Giving Randy some breathing room because he's busy with Nisei Week
 - We'll need to firm up these details soon after so we can start firming up other activities surrounding the Pumpkin Patch
- Ben's been doing some heavy lifting for us via Anime Club. Ben we'll get back to you on promos.
 - Also, we will definitely do the corn maze if we can secure the funding for it.
- Night life
 - for the 28th - instead of having one central "party" we thought it would be better if we had wrist bands for a more formalized bar crawl.
 - Idea in short: Pay/Pickup Wrist Bands @ a central location, go to participating bars where you get free entry(?) plus one promotional drink for free. Thought we could have Wolf & Crane, Baldoria, Seoul Sausage, Tokyo Beat, and Far Bar? Any others are welcome to participate.
 - If we do get 2nd street closure confirmed we'll start reaching out to food trucks and/or street food vendors.
 - Now that we're having specific venues for the bar stuff could we get alcohol sponsors?
- Ryan Furuya has been working on logo design and will have a mock poster for us to present to the City on the 29th.
- We need some people to help us reach out to the businesses on 2nd street to "sign off" on this event. HELP. Going to beat the pavement on Monday.
- Anyone have people they could reach out to for sponsorship?
 - Going to reach out to Union Bank, Chase, Metro for starters.

If I missed anything of you'd like to add to the discussion please do here.

Thanks all!
james.
